

### 2015 'Best in Show' New Product Showcase: The winners are...

After 5,400 votes covering more than 100 products, the results are in for the inaugural "Best in Show" [New Product Showcase Awards](#)! The showcase provided NSC Congress & Expo exhibitors the opportunity to highlight their newest and most innovative safety products. Voting was available both online and onsite. The results:

**Win:** The [3M™ E-A-Rfit™](#) Dual-Ear Validation System quickly measures the effectiveness of earplugs and earmuffs, providing accurate, quantitative results for both ears simultaneously.

**Place:** The [Evacusafe Excel Chair](#) is designed to enable the safe and comfortable evacuation of mobility-impaired people in the event of a fire, power outage or other emergency.

**Show:** The [GlenGuard 4.5 oz/sq. yd. Coverall or Shirt](#) features enhanced visibility striping and, for added comfort, vents under each arm as well as vertical vents along the back. This garment is made by Workrite FR and sold by G&K Services.

Congratulations to the winners, and thanks to everyone who participated and voted.
