

Ruthless on Germs and Grime. Gentle on People and the Planet.

Protect your customers and staff from germs and harsh chemicals, dramatically reduce your carbon footprint AND save money!

With the **Force of Nature Pro** electrolyzer appliance and a capsule of salt, water and vinegar, you can turn ordinary tap water into a powerful multipurpose cleaner, deodorizer and EPA-registered disinfectant and sanitizer. Plus it replaces single-use plastic bottles and is ready in just minutes.

- ◆ No harmful chemicals, residues or fumes
- ◆ Kills 99.9% of bacteria and viruses
- ◆ Kills the toughest odors at their source
- ◆ As effective as Clorox® Clean-Up®, Windex®, Febreze, Scrubbing Bubbles® and Resolve®*
- ◆ EPA List N approved for COVID-19
- ◆ Safe on all surfaces including equipment and seats, carpets, bathrooms, windows and more
- ◆ Green Seal Certified and sustainable
- ◆ No allergens or irritants
- ◆ No rinsing or protective gear needed

LIGHT WEIGHT HANDHELD SPRAYER

Make cleaning with Force of Nature even faster and easier.

- A premium sprayer at an affordable price
- Heavy-duty pump system with quick and effortless manual pressurization
- Sturdy, high-density, corrosion-resistant tank
- Specialized seals and rings for durability
- 1.25 liter size means less stopping for refills
- Adjustable spray nozzle for flexibility on the go
- Comfortable, ergonomically shaped handle for all-day use

BIODEGRADABLE COMPRESSED WIPES

Finally a reusable, environmentally friendly, anti-bacterial and anti-microbial wipe that gets the job done.

- Biodegradable, certified compostable, flushable and septic-safe
- Each compressed wipe expands to 8.5" x 9.6" with Force of Nature
- Re-usable and resists odors and germs
- FDA approved, certified hypoallergenic
- Tested for adherence of micro-organisms and anti-microbial efficacy for Salmonella and Staph
- ISO certified, lint free, anti-static and non-flammable
- Made sustainably from 100% rayon without synthetic chemicals
- Available in units of 450 wipes (6 bags of 75)

Simply add 32 oz. of Force of Nature to one bag of 75 wipes. For smaller quantities, use 1 oz. of Force of Nature for every 2 wipes.
